April 2010 Newsletter

Minutes of March Meeting

Minutes from the March 20, 2010 meeting

The meeting was called to order by President Joe Springer. These are the minutes and will be taken as read.

The treasurer report was read by Cheryl Bailey and a motion to accept as read was made.

Joe called Eileen from the election committee to read off the results of the election. The results are:

President --	Ron Bailey Jr
Vice President --	Tommy Anderson
Board Members	Flynn (Skeeter) Armstead Bill Johns Don Powell Don Heideman Joe Springer –goes back to the Board from Presidency
Alternates	Aaron Bailey Dale Lankford

We would like to thank Eileen Heideman, Jan Literski, Deb Thompson and Nick Delong, the election committee for all their help.

Joe gave a farewell speech, thanking everyone for their help during his time as president. He then turned the meeting over to the new president Ron Bailey Jr.

Ron discussed the GTO fundraiser. It was a great success and we made \$501.30. We want to thank everyone that came out to help. We had a great turn out.

Ron mentioned the thank you letter we received from Ron Berry of the Outdoors Without Limits. We were asked to take handicap people out for an airboat ride on Feb. 20, 2010. Heidi printed the letter in the March news letter.

Ron also mentioned he received a call from Charlie Fisher's wife. He had open heart surgery and she wanted to let the club know in case they were trying

to get a hold of him at his fiberglass business. She said he is doing well.

April 24th meeting will be in Kissimmee. We will meet at the milk truck at 10:00.

May 15th meeting will be at the Swimming Hole. We will be having a Rodeo. Meet at 10:00 to sign up and the meeting will be after the Rodeo. Bring your own lunch.

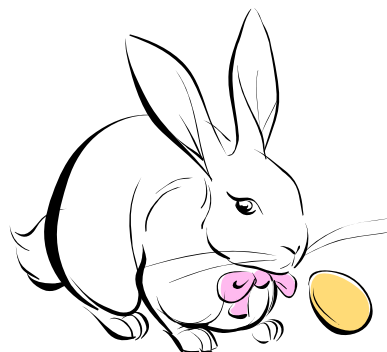

June and July meetings will be rides. More about them in the next news letter.

Ron then called Diana Armstead to the front and we all sang Happy Birthday and presented her with a cake.

The meeting was adjourned.

You're President

Ron Bailey Jr.

April Meeting

Sat. April 24th. The Lake Kissimmee meeting will be at the milk bus at 10:00 am. If you would like to plan on staying at Camp Mac Resort the number is 1-800-243-8013 they have rooms and a few cabins. Lake Cypress has limited rooms and camping/RV lots, their number is 1-407-957-3135. Make your reservations now!!

May Meeting

Sat. May 15th. The meeting will be at the Swimming hole at 10:00 am with the rodeo following. It looks like the rodeo will be a go if the water stays like it is.

June Meeting

(To Be Announced)

Dues Due – Don't let them lapse!

Don't forget DUES are due. If you do not pay your dues by the May meeting you will not receive the June news letter.

March Meeting and Cookout Details

Saturday was a great day for the meeting /cookout. There was one of the highest attendance rates the club has had at the event. We had 150 members family and friends. Thankyou everyone for coming. It is a good time to visit and eat. There was plenty of goodies to eat and Thank you to everyone that brought a covered dish and shared their home cooking. Ron and Tommy cooked Ribs and Chicken.

All the food was great.

We also had Jan, Eileen and Diana raffling off bras decorated with lottery scratch off tickets. This is one of the fund raisers that they are doing to raise money for the 3 day Breast Cancer walk they will be doing in October. ***The bras were well decorated and modeled.***

Everyone had a great time and the ones who came by boat went for a ride after the meeting. It was a beautiful day on the lake.

John Burton won the 50/50 drawing for \$144.00. He was a quest. Jerry Grimes ticket was drawn for the 50/50 Card Draw and he had to try and beat the new President in a card draw. Jerry went first and pulled a (2) and then Ron pulled a Queen, so the \$78.00 dollar's went into the kitty for the next meeting. Better luck next time.

March GTO Fund Raiser

Saturday the 6th was the fundraiser at GTO in Ocala. A special thank you to all that participated in the event, the cooks , servers and the moral supporters. It could not have happened without you.

Special Notes

Kudos to Chet for the enormous Red Stag he bagged on his trip to New Zealand. That is quite a picture. I think you will have to have a wall just for him! Plus your bonus, an Arapawa Ram. How nice to go so far and come home with not one but two nice mounts. Well done!

INFORMATION FOR OUR HUNTERS

FROM FWC WEBSITE:

As someone who has hunting privileges in Florida we thought you may be interested in the following information. The Florida Fish and Wildlife Conservation Commission (FWC) approved a Strategic Plan for Deer Management in Florida: 2008-2018 on February 2008. FWC's Deer Management Program has been working since to initiate high priority components of the strategic plan. Please visit <http://myfwc.com/deer> to review several updates regarding deer management in Florida.

These include:

New deer hunting zones and seasons - The Commission approved changes to deer hunting zones and seasons on February 17. New season dates will apply to the 2010-2011 hunting season for private lands. The process of aligning WMAs and other public lands with new zonal seasons has begun and public meetings have been scheduled around the state.

Crossbows during archery season - The Commission is considering allowing the use of crossbows during the regular archery season. Be sure to take the survey.

Proposed deer harvest reporting system - The FWC is proposing to implement a deer harvest reporting system for Florida in an effort to collect accurate harvest data. The proposal would require hunters to report any deer harvested using a telephone or computer. Hunters would need to enter some basic information regarding their harvest within a certain amount of time of taking a deer. More information will be available on the Deer Program's website in the near future. Be sure to look at the public meeting schedule.

Rut maps - Mean conception date maps for Florida's panhandle and peninsula.

2009 Deer breeding chronology study - A preliminary report on a project looking at breeding chronology of deer in the panhandle.

Please continue to monitor the Deer Management Program's website for updates regarding deer hunting regulations.
