Ron (Pappy) Bailey Sr.

It is with utmost sadness that I have to put this in our newsletter that Pappy passed away on May 19th, 2010. Everyone knew Pappy and he will be missed and remembered by us all. Joan and Pappy were married for 56 years. More than a lifetime for some of us. Pappy and Joan brought the family to Inverness while the kids were little and here they stayed. Pappy was at their business (Ron's Auto Service) along with Ronnie and Joan daily for so many years they are known by the community as well as those of us in the club. For newer members, Pappy was president of CCAA for many years.

He loved to ride the boat in the swamp and ride four wheeler's when the water was down.

A wonderful service was held in Pappy's memory and was attended by so many it was standing room only. Pita and Christine stood up and shared memories that brought many to tears.

Joan had family and friends to the house after the service and had a celebration of life. We will always be thinking of him and our thoughts and prayers as always, go out to the family.

Heidi Watkins and her sister Cheryl Hardy would like to thank the club for the peace lily that was sent for their mother, Jean Zimmermann. We had a small private service per her wishes. She lost her battle to cancer March 21st. It was a beautiful plant and your kindness was appreciated by the family.

Thank You,
Heidi
